

Chef Apprentice

An excellent opportunity to start your career as a Chef. Our Apprentice Scheme runs over a 2 year period, in which time you will achieve your NVQ Levels 2 & 3 in Professional Cookery whilst learning the essential skills to become one of the best in your field.

The NVQ's give you an excellent grounding as well as the flexibility to specialise in the areas of your choice. You will be supported by the Head Chef and his brigade and be a key member of the team, at the same time as you are learning your trade.

You will be provided with Chefs Whites, Knives, and some key textbooks to assist in your development.
